IT'S IN OUR DNA.
4. OUR PRODUCTS IMPROVE LIFE  
WHAT WE DO MATTERS.
5. OUR VALUES ARE REAL  
WE WALK THE TALK.

### JOB OVERVIEW

This internship opportunity is specific to the Weyerhaeuser Wood Products Mill located near Heaters, WV. This mill is a state-of-the-art OSB manufacturing operation.

### INTERNSHIP OVERVIEW

This is a developmental assignment designed to give students, with a desire to pursue a career in wood products manufacturing, a valuable learning experience and exposure to a broad base of professional experiences such as resolving a manufacturing issue by leading a mill trial (writing the trial plan, coordination, data analysis, communicating of results and report writing); continuous improvement and process reliability. The intern will be provided with an individualized work plan, clear expectations as well as performance feedback and mentoring throughout their summer tenure. Intern will be required to prepare a presentation to site leadership team at the end of the internship outlining their learning experiences.

The anticipated duration of internship to run from May 2018 to September 2018, but is flexible around school schedules.

### JOB REQUIREMENTS

- Currently pursuing a Bachelor's degree in a Wood Science, Forestry, or Engineering field of study (Civil/Structural/Industrial Engineering)
- Minimum Sophomore standing
- Demonstrate strong academic achievement
- Proficient in Microsoft Office applications
- Ability to exercise good judgment and committed to continuous focus on safe work practices
- Ability to exercise good judgment in setting priorities and follow-through
- Ability to analyze data for results and trends
- Excellent communication skills (oral and written)
- Motivated, self-starter and positive attitude
- High integrity and strong work ethic
- Willing to work a flexible schedule (weekends, nightshifts, holidays)
- Pass pre-employment drug test required of all Weyerhaeuser employees
- Able to commit to an internship from May 2018 to September 2018
