Employment Start Date: Employment End Date:

Job Description:

Summary

The internship/coop role provides students with the opportunity to apply academic knowledge and skills in a professional environment, and to support/promote the graduate’s career goals through contact with professionals in their field of study. The internship experience enables students to participate in professional activities for Volvo by working on important and innovative projects. Internships are structured learning experiences where interns/coops and our full time professionals work together on projects within their selected organization. The internship allows students to integrate knowledge and skills in a manner that is mutually beneficial to the student and Volvo.
Responsibilities / Main tasks / Targets

- Interact with factory floor personnel on problem solving techniques
- Maintain Idea Program database entry levels and archive as necessary
- Updating and maintaining Management System documentation
- Develop monthly reports of idea generation volumes
- Collaborate with other Continuous Improvement Teams for generating and logging ideas in the system.
- Develop, implement and present semester project focusing on shop floor improvement database system.
- Assist CI Project Leader with selection and presentation of monthly idea winners to staff
- Work with communication team on printing and hanging of monthly idea winner boards and plant wide communications

Minimum Education Requirements

- Applicants must be currently enrolled and pursuing a degree at an accredited school and have completed 30 semester hours prior to the start of the internship/co-op
- Pursuing degree in Business IT or Industrial and Systems Engineering
- Applicants must have a minimum cumulative grade point average of 3.0
- Microsoft Office
- Microsoft Access or other database experience

Personal Competencies

- Customer Focus
- Technical skills
- Peer relationships
- Integrity and trust
- Self-Motivated
- Action oriented
- Perseverance
- Learning on the fly
- Time management

Compensation and Benefits

All Volvo Group North America internships are compensated with a competitive salary. Students can also take advantage of various employee discounts.

Volvo Group North America is an Equal Opportunity Employer
