The internship/coop role provides students with the opportunity to apply academic knowledge and skills in a manufacturing environment, and to support/promote the graduate’s career goals through interaction with Human Resources professionals. Interns participate in professional activities for Volvo New River Valley (NRV) Plant by working on practical, innovative and important projects. This Internship provides structured learning experiences where interns and our Human Resource professionals work together on projects within their selected organization. The internship allows students to integrate knowledge and skills in a manner that is mutually beneficial to the student and Volvo New River Valley Plant.
Responsibilities
- Work with NRV managers to review and modify, if necessary, all non-bargained job descriptions based upon position requirements and current duties
- Program Analysis
- Create control process to ensure job descriptions are maintained and kept up to date

Minimum Education Requirements
- Applicants must be pursuing a related degree at an accredited school and have completed 30 semester hours prior to the start of the internship
- Applicants must have a minimum cumulative grade point average of 3.0

Personal Competencies
- Customer Focus
- Technical Skills
- Peer Relationships
- Integrity and Trust
- Standing Alone
- Action Oriented
- Perseverance

Other Skills
- Proficient Level – Microsoft Word, Microsoft Excel, Microsoft PowerPoint
- Basic Level - Microsoft SharePoint
