

PESTICIDE APPLICATORS RECERTIFICATION TRAINING PROGRAM 2022
CATEGORY 12
WOOD PRESERVATION AND WOOD PRODUCT TREATMENT

We will hold one recertification program this year: Friday, March 18, 2022. This announcement is to inform you of our re-certification program, please check with VDCAS to determine if you require re-certification this year.

The program will be held virtually, using Zoom. Each applicant is required to have a camera on the computer, phone or device used to attend.

The program will start at 9:00 a.m. and end at approximately 12:00 p.m.

There is no fee for this program.

Please complete the following form and return by March 14, 2022. Email response is preferable. Email to bbond@vt.edu. If you use the Postal Service, make sure to include our internal postal code (0503) in the address. Your zoom link will be sent to your email address.
