WE WALK THE TALK.

### JOB OVERVIEW

The Technical Team Member at Sutton West Virginia OSB is responsible for ensuring all quality expectations are met for the manufacturing site. Weyerhaeuser offers a competitive salary, excellent benefits, and outstanding career development. This position reports to the Technical Team Leader and is classified as full time, salaried non-exempt. The essence of this role requires a highly motivated, people-oriented individual to commit to a proactive, practical application of safety and day to day operations.

### KEY FUNCTIONS

The Technical Team Member is accountable for the continuous monitoring of product quality and optimizes the product and process in response to current operating conditions. The Technical Team Member must be able to work independently and with urgency, offering feedback and recommendations on immediate or potential quality issues or opportunities.

### JOB REQUIREMENTS

- Bachelor's Degree (or higher) in Wood Science/Sustainable Biomaterials or similar technical degree
- Commitment to actively promoting and exhibiting an attitude of safety and caring
- Ability and willingness to practice safe work habits and follow all safety policies
- Ability to communicate effectively, both verbally and in writing
- Ability to use a personal computer, including proficiency in computer applications such as Outlook, Excel, etc.
- Ability to independently analyze data and recommend alternate courses of action
- Ability to take direction and willingness to take initiative on new tasks
- Ability to organize and plan priorities
- Ability to problem solve and troubleshoot
- Ability and willingness to read and comprehend technical and non-technical information
- Able to work with little direction from the supervisor
- Ability and willingness to safely operate lab saws
- Ability to use applied math skills/statistical methods
- Ability to lift and handle materials up to 50 lbs.
- Ability and willingness to work in a cooperative "high performance" work system
- Ability to quickly adjust to meet customer requirements and needs
- Ability and willingness to work rotating shifts, weekends, holidays, etc.
- Ability and willingness to meet attendance requirements
- Strong interpersonal skills
- Strong leadership skills
- Resume detailing education and work history required for consideration
- Experience in a Wood Products manufacturing facility is preferred

### ABOUT WOOD PRODUCTS

We've been delivering quality building products and solutions to our customers for more than 100 years. From builders and dealers to specifiers and homeowners, we offer exceptional product performance and unparalleled support.

**For more than a century, we've been building our reputation as a leader in sustainable wood products.**

### ABOUT WEYERHAEUSER

We sustainably manage forests and manufacture products that make the world a better place. We're serious about safety, driven to achieve excellence, and proud of what we do.
